

Your Guide to the Consultation Process

Kent Partners Compact - Consultation Period

The Kent Partners Compact is an agreement for mutual benefit between the Voluntary & Community Sector and the Public Sector in Kent. It is not just a document, it is a way of working better together in partnership, binding partners through a shared set of principles or core values.

A multi-agency task group was set up earlier this year to compile a draft document, and manage a consultation process to enable all stakeholders to shape and influence the Compact. We welcome your opinions and responses on the draft document, to ensure the Kent Partners Compact reflects the needs and local circumstances of your organisation.

How can I influence the content of the Kent Partners Compact?

The consultation period runs from 7th September – 7th December 2007.

How can I find out more?

The draft document is available in a number of formats, so you can comment in the way which best suits you:
